1992 **Dedication**
 Mr. Trent **1992**
 C.J.H.S. Principal

Clinton Jr. High School

Mr. James Trent took over the Clinton Junior High reins in June of 1970. He had been with the unit 3 years previously at Hallsville. Some 5,000 students have passed through the Jr. High during his tenure here, benefiting from his wisdom, sense of fairness, and sense of humor. He has hired most of the present staff, and without a doubt it can be seen that the personalities and talents of this group have been hand picked with great care by the "boss" at C.J.H.S. We on the yearbook staff, the students, and faculty honor Mr. Trent with the dedication of this 1991-1992 yearbook.
